

Ames Tennis Academy

Summer 2010

Elite Team Academy:

The summer program is all about tournament play! Each session of Camp will be geared towards preparing your player for the next tournament. The benefit of a coach being able to travel with their players is being able to see them compete in pressure situations! We then have the opportunity to come back and make adjustments in technique, strategy, conditioning and mental focus to improve results.

Take your game to the next level this summer with our tournament travel groups and weekly camps!
